Subject: Monthly Full Enrollment File - NOTICE!

The Monthly Full Enrollment Data File that you received on Wed. May 24th did not contain records for beneficiaries that are enrolled in MA-Only and PDP contracts. As a result, CMS will retransmit a new file on May 26, 2006 to all Plans. MA-PD Plans may choose to disregard this subsequent file as it will be a duplicate. All other Plans must use this file for their full enrollment information.

The Monthly Full Enrollment Data File uses the weekly TRR naming convention and will be named as follows:

P#MMA.@BGD5050.PLNxxxxx.YM200605.D26.TRWEEKD
